January 28, 2022

Dear Roseville Community Schools Students, Staff and Families:

It has been over three weeks since the issuance of the temporary mask mandate. We are happy to report that Roseville Community Schools numbers have dropped significantly during that period. Starting, Monday, January 31, 2022, we will resume the optional mask policy in the buildings. Masks are still required on buses and public transportation in accordance with the Federal mandate for public transportation. This includes to and from school as well as extra-curricular activities. We will continue to monitor case levels at each of our schools to determine if more mitigation is needed.

We want to thank all of you for your patience and cooperation with this matter.

Sincerely,

Mark Blaszkowski
Superintendent
