District Newsletter  
Summer 2025

## MIGLIO NAMED NEW PRINCIPAL AT GREEN, PAUL EMS DEAN OF STUDENTS

Roseville Community Schools is proud to announce two administrators for the 2025-2026 school year. Rebecca Miglio will be the new principal of Green Elementary, Ann Paul will be the new Dean of Students at Eastland Middle School.

Miglio takes over as principal at Green Elementary after more than thirty years teaching elementary in the district, most recently at Green. In addition to her years as a classroom teacher, she has spent the past six years as one of the district's instructional coaches, helping colleagues integrate classroom technology into their curriculum. She has served in a variety of other capacities during her career, including as a member of school PBIS committees, district leadership committees, professional development committees, as well as co-chair for the district's math school improvement plan committee. Miglio holds a Bachelor of Science in Education from Wayne State University and a master's in administration from Saginaw Valley University with an elementary and secondary administrator certificate.

Miglio said that she looks forward to continuing her career as part of the Green community. "I already have a fantastic team to work with and an exceptional group of students and their families to support." Superintendent Mark Blaszkowski said that Miglio has a long track record of elementary experience. "She has been a teacher, an instructional coach, and a pioneer of technology in the classroom. She is a hardworking individual that is innovative and supportive to staff and students alike. Her experience will be a great asset as we transition from Donna Ambrose."

Miglio takes over for Ambrose, who retires from Roseville Community Schools after more than thirty years in education. She said that she feels completely blessed and honored to have worked in Roseville. "I have fond memories of all the students I have had the privilege of working with and will never forget them. I also have made lifelong friends. Roseville is truly a family." Blaszkowski said that Ambrose has been an extremely effective principal at Green Elementary. "She has

always cared for her students and families by listening to their needs and doing the best she could to help them. She built a culture of teamwork, which has paid dividends to our students. We wish her the best in her retirement."

Ann Paul has been in Roseville for six years, teaching English Language Arts at Roseville Middle School. In addition to her time in the classroom, she has served as a member of the school improvement, leadership, and curriculum teams, all aimed at enhancing the district's educational quality. She has also spent time as Roseville Middle School's Teacher in Charge, as well as the lead for the New Teacher Induction Program. Paul received a bachelor's degree in English education from

Ferris State and a master's degree in K-12 administration from Eastern Michigan. She said that she is excited about the new position. "I look forward to supporting the behavioral and academic growth of all students at EMS by partnering with staff and families to ensure every student is supported and successful."

Rebecca Miglio

Ann Paul

Blaszkowski said that Paul will make a great addition to the Eastland Middle School staff. "She has completed her degree, served in leadership roles, and has great relationships with students, staff, and parents. We look forward to her contribution to the administrative team." Paul takes over for Alexandra Muhammad, who is moving out of the area. Blaszkowski thanked her for her years in Roseville. "We appreciate all the hard work and dedication to our students and families that Mrs. Muhammad provided. We wish her the best of luck on her family's new adventure on the other side of the state."

PG. 2: RCS PREPARES FOR 2026 BOND INITIATIVE  
PG. 2: COLORADO BY WAY OF ROSEVILLE FOR 2011 GRADS  
PG. 3: RCS CELEBRATES 100TH GRADUATING CLASS  
PG. 4: GET TO KNOW OUR TEACHERS  
PG. 5: PORTER NAMED NEW RHS BOYS BASKETBALL COACH

MESSAGE FROM THE SUPERINTENDENT

This past year we had the pleasure of celebrating our 100th graduating class. It was filled with activities, recognition, and lots of memories. We were able to share all of those with the community, students, staff, and alumni alike. Like everything else, all good things must come to an end. Now we must look to the future of our schools and find ways to continue to prepare for the future.

Roseville Community Schools is in the process of developing a no-tax-rate-increase bond proposal for the May 2026 ballot aimed at improving facilities, modernizing learning environments, and aligning school buildings with current and future student needs. School district leaders, alongside construction and architectural partners, have spent the past several months assessing facility conditions and exploring potential improvements.

As planning continues, a draft proposal is expected to be shared with the community in the next few months to gather input and feedback before finalizing the bond scope. A major focus of the bond proposal is reducing operational costs, which could be achieved by potentially consolidating schools. Other potential projects include creating an early childhood learning

facility, upgrading outdated mechanical, electrical, paving, lighting, and building infrastructure, enhancing safety and security systems across district facilities, improving classroom technology and instructional equipment, and replacing aging school buses.

Our goal is to create safer, more efficient, and updated spaces for our students and staff. We are working carefully to balance educational needs, facility conditions, and community priorities, and we look forward to hearing from residents as we shape this proposal together. We anticipate holding focus groups and launching a community survey in the upcoming months to gather feedback. Final bond plans will be shaped by community input and presented to the Board of Education later this year. More information will be shared with the community as the bond planning process continues. In the meantime, residents with questions are invited to contact the superintendent's office at (586) 445-5505.

Sincerely, Mark Blaszkowski

ALUMNI CORNER

Allison (Denault) Youness and James Youness graduated from Roseville High School in 2011. Years earlier, they met at Roseville Junior High in Ms. Riley's seventh grade keyboarding class. Now, they share a life together in Colorado. Allison attended Huron Park for elementary school and James attended Fountain Elementary. While at RHS, Allison was a member of the National Honor Society and played varsity basketball, volleyball, and softball. James played varsity soccer and was a member of the band. Allison said that some of her favorite teachers were Mrs. Oberliesen, Mrs. Bourgeois, Mrs. Hansen, Mr. Hansen, Mr. and Mrs. Gabriel, Mr. Stanton, and Mrs. Jordan. James added Mr. Hansen, Mr. Mattison, Mrs. Collias, and Ms. James as a few of his favorites. Allison said that some of her favorite memories are of ninth grade softball, varsity volleyball, homecoming activities, French IV class, and junior high basketball, where she met two of her best friends. James said making videos for broadcast class, Project Challenge's sixth grade field trip to Chicago, and band classes are his

favorite memories. After graduation, Allison attended college at Michigan State University, earning a Bachelor of Arts in English. James attended Central Michigan University where he earned a Bachelor of Applied Arts in Integrative Public Relations. Now, Allison teaches English Language Arts at the middle school level. "I had a few phenomenal teachers who showed me that I could have an impact on the world through teaching." James works as a public relations professional in the sports industry. "Roseville High School's broadcast class encouraged me to pursue a career in the communications field." They have settled into a nice life in the Centennial State. "We live in Colorado with our dog, Mykonos. We like to travel, watch Detroit Lions football, and be active outdoors." They said that they still enjoy coming back to Michigan in the summers to visit family and friends. Allison and James shared some final thoughts on their alma mater. "Roseville Community Schools has always had incredible teachers and staff who care a lot about their students."

# GET TO KNOW OUR TEACHERS

## JERI JARRELL - KAISER ELEMENTARY

Born and raised in San Diego, Jeri Jarrell has been teaching for ten years. She started her career in education in Arizona, where she taught for seven years. While there, she was named the 2019-2020 Buckeye Elementary School District Teacher of the Year. After her husband's job brought her to Michigan, she landed at Kaiser Elementary, where she has spent the last two years teaching fourth grade. Jarrell said that she enjoys building positive relationships with students and supporting them in creating and achieving their goals. "My favorite thing about teaching fourth grade is the content, especially in math! I enjoy teaching all of the strategies for large number multiplication and division."

She added that she finds it fun and refreshing to turn a lesson into a game that engages her students. "I gamify vocabulary lessons by creating a worksheet that is placed on every desk that has spots for students to write the definitions, draw a picture, and write a synonym and antonym of the words for the week. Students walk around the room while listening to music, when the music stops, the students find a desk and fill in one of the spots on the worksheet. Students like the movement and they build off the work of their classmates." Jarrell attended California State University in Sacramento, earning a bachelor's degree in liberal studies. Most recently, she graduated with a Masters of Science in Curriculum and Instruction from Western Governors University. Outside of the classroom, she likes to stay active. "My favorite thing to do when I am not teaching is taking class at Pure Barre." Jarrell's husband's job recently switched to remote, but they enjoy Michigan and have decided to stay. "It was really hard to adjust to the winters but I really love experiencing all of the seasons. I especially love all the trees."

## EVAN ZACK - ROSEVILLE MIDDLE SCHOOL

Evan Zack just wrapped up his first year in Roseville, teaching wood shop to seventh and eighth grade students at Roseville Middle School. Before starting at RMS, Zack spent time teaching elementary. He said that his favorite part about teaching is that it allows him to pull the creativity from students and allows them to bring their imagination to life. He added that his favorite project that he worked with his students on this year was creating a charcuterie board. "It allowed students to extend their creativity and create a board meeting their own design requirements. At the end of the assignment we had a charcuterie board day where everyone brought in snacks and food." Zack attended the College for Creative Studies, earning a bachelor's degree in illustration. He enjoys staying active outside of the classroom. "I'm big into working out, art, museums, and this year I actually completed my very first international marathon." He's also a big animal lover. "I have one pet duck currently but plan to have many dogs in the future!"

## JAMIE SARIC - ROSEVILLE HIGH SCHOOL

Jamie Saric has been teaching at Roseville High School since 2019. She splits her time at RHS teaching ninth grade English in the morning and serving as one of the district's instructional coaches in the afternoon. Saric said that it is very rewarding to be part of ninth graders' journey through high school. "It is a major year of transition - academically, socially, and emotionally. I get to help students navigate the new challenges that high school brings and hopefully see them to the finish line...graduation!" Saric said that she loves to incorporate art and music into her classroom. "It brings literature to life in a way that really resonates deeply with students. Art and music allow them to connect with themes, characters, and emotions on a more personal and creative level." She also serves as a Link Crew coordinator

at RHS, the club that focuses on helping freshmen in their first year of high school." Saric attended Wayne State University where she earned a bachelor's degree in English and history, as well as a Master of Arts in Teaching, Secondary English and History. She has four children - Jacob and Jenna (23), Selena (16), and Nikolas (12) - and two dogs, Scout and George. Outside of school, she enjoys hiking, painting, gardening, and going to concerts in the summer with friends and family. Her family has a home in upstate New York in the Adirondack Mountains that she enjoys visiting. "We spend summers there, hiking, swimming, and relaxing. I love spending time in the mountains hiking and away from all of the noise" She is also a big basketball fan. "March Madness, WNBA, NBA, you name it, I am a fan."

## ROSEVILLE HIGH SCHOOL TAPS PORTER TO LEAD BOYS BASKETBALL PROGRAM

Roseville High School has named Rashard Porter the new head coach of the varsity boys basketball program. Porter comes to Roseville after a successful playing and coaching career.

Porter had a successful career on the court as a high school player. He starred at Romulus High School from 2005-2009, leading the school to two MHSAA Final Four appearances and earning all-state honors his senior year. He started his college career playing at Marshalltown Community College in Iowa. He then made the move back to Michigan to play at Henry Ford Community College in 2011, before finishing his playing career at Saginaw Valley State University. After college, he made the shift to coaching. From 2017-2019, he served as the Skill and Development Coach at Southfield Christian, helping lead the team to two MHSAA Class D state championships. He then spent three years serving as head assistant coach at River Rouge High School team that made two MHSAA tournament appearances. Most recently, he served as the varsity assistant coach for Brother Rice High School, a team that won two district championships, a

regional championship, and made a 2024 MHSAA Elite Eight appearance.

Porter said that he felt that Roseville was a good fit for his coaching philosophy. "I love the energy that Roseville brought to me, and it matched, so it was easy to join the Roseville community and feel like I was part of a home and family." Porter added that he is an advocate for education and his program will focus on max effort, continuous growth, and selfless love. "There is a saying that 'if you care enough about yourself, you give it to others to serve.' We want to make sure we set the culture as soon as possible because we have a lot of good things that we want to bring."

Roseville High School Athletic Director Keith Marzec said that Porter was chosen from nearly thirty applicants. "He

is high energy, well organized, and has strong vision for where he wants to take our basketball program." Marzec believes he will not only have an impact on the culture of the basketball program, but the culture throughout the whole school. "His goal is to play at the Breslin Center and become an elite program. He comes from a highly successful coaching tree and is ready to take our program to the next level."

Rashard Porter takes over as Roseville High's head basketball coach

# PANTHER DAY 2025

## SATURDAY, AUGUST 16

4:00 P.M. - 8:00 P.M.  
RHS ATHLETIC COMPLEX

- **BLACK & RED VARSITY FOOTBALL GAME**
- **RHS VARSITY DANCE & CHEER TEAMS**

- **AND MUCH MORE!**

# A LOOK INSIDE OUR SCHOOLS...

Senior Austin Kuhn's poker table was named "Best in Show" at the MTEC competition

Dort students enjoyed a treat from Kona Ice during the last week of school

Green students visited the U of M Environmental Center in May

Steenland elementary second graders had a blast at the Detroit Zoo in early May

EMS students enjoyed May's "Dress Like a Staff Member" day

The STEAM Museum rolled into Knecht Elementary School in late May

The annual RHS Cardboard Regatta featured a record number of entries in May

Middle school band students marched in the annual Roseville Memorial Day parade

Fountain upper elementary classes visited the Henry Ford Museum in mid-May

RHS REST Robotics took home several trophies at the Mini VPD competition in May

RMS was awarded a \$2500 grant courtesy of Bob's Discount Furniture in May

Kaiser students got their kicks in May with another season of Unified Soccer

It was another beautiful day for the 2025 Roseville Scholarship Foundation Joe Manfreda Dream Dash, held on May 10. Between the participants, sponsors, and donations over \$6,000 was raised for the Foundation! All funds raised go to Roseville High School's Class of 2026!

In May, our Great Start Readiness Program (GSRP) held their first Pajama Literacy Night! The students and their families were invited to enjoy an evening filled with ABCs and pre-reading activities. The children enjoyed a read aloud of The Rainbow Fish and The Big Blue Whale and all families received a book and raffle prize.

The Roseville Middle School Symphonic Band made school history by performing for the first time ever at the MSBOA State Band & Orchestra Festival in May. The students' hard work paid off, with the band earning an overall first division rating, the highest grade possible!

On May 8, the Bagels with Blas Superintendent's Discussion Group visited the WRHS Productions studio to learn all about the News and Broadcasting class! Mr. Blaszkowski even anchored the daily announcements! The Bagels with Blas meeting is held once a month from September until May and parents are welcome. Emails will be sent with topics, dates, and locations each month.

Attendance matters! Patton students with two or fewer absences all year were rewarded with a fun-filled attendance basket for the whole family to enjoy! Each basket included a personalized Patton water bottle, bubbles, indoor and outdoor games, and more surprises to celebrate their incredible commitment. Each student also received an "I Have Pawsome Attendance at Patton Elementary" lawn sign!

On May 10, Roseville Community Schools wrapped their year-long hundred year celebration with an Alumni/Former Staff Open House, held at both Roseville Middle School (former Roseville High School) and Roseville High School (Current RHS School). Hundreds of former staff and alumni visited the buildings, met with former classmates and teachers, and enjoyed snacks prepared by the RHS Culinary Arts students.

**REGISTRATION &  
HOLE SPONSORS:**

The Roseville Community Schools Scholarship Foundation began with a dream and a goal when it was established by the Roseville Kiwanis Club in 1963. The dream was to touch the lives of Roseville's young people; the goal was to raise funds to aid them in their continued educational quests.

In 1984, the Roseville Board of Education joined the the ongoing project. Today, citizen volunteers, educators, business representatives, and local leaders assist in the process of raising funds and allocating scholarships to deserving recipients. This year, we awarded 65 \$1000 scholarships to recipients.

In April 2022, the Foundation officially became a 501c3 organization. This allows additional opportunities to receive donations from individuals and companies wishing to donate to a charitable organization. If you own, work for, or know of a company looking for a charitable organization to donate to, we would greatly appreciate you sharing the Roseville Community Schools Scholarship Foundation name with them.

RCSSF Tax ID No: 87-1665026

Statement of Assurance of Compliance with Federal Law

It is the policy of the Roseville Community Schools District that no discriminatory practices based on gender/sex, race, religion, color, age, national origin, disability, height, weight, or any other status covered by federal, state or local law be allowed in providing instructional opportunities, programs, services, job placement assistance, employment or in policies governing student conduct and attendance.

Grievance Procedure :

Section 1: Any person believing that the Roseville Community School District, or any part of the school organization, has discriminated on the basis of race, color, national origin, gender/sex, age, disability, height, weight or marital status, may file a grievance with:

Civil Rights Coordinator  
Administration Building  
18975 Church Street  
Roseville, Michigan 48066  
586-445-5513

Grievance forms are available from any building principal or from the Administration Building.

Section 2: All grievances will be processed through the following steps:  
A. A written statement of the grievance, using the district's grievance form, shall be submitted to the Civil Rights Coordinator.

B. Upon receipt of the completed grievance form, the Coordinator will conduct an investigation and notify grievant of the results, including any remedial measures. Normally, the investigation will be concluded within (30) thirty school days.

C. Within (10) ten school days, the grievant may appeal, in writing, to the Superintendent of Schools, who will make a written decision, normally within thirty (30) school days.

The complete grievance procedure is found in Roseville Community School Board Policy GAAD, which can be obtained from the Coordinator

Video Surveillance

Roseville Schools periodically monitors school property, grounds, buses and buildings using video cameras to ensure the security of students, staff, and property.

Roseville Protects Privacy Rights

The Roseville Community Schools will not release personal student records such as grades, attendance or test results without the signature of the parent or the student (if over 18 years of age).

However, under the Family Education Rights & Privacy Act, (FERPA), the district is permitted to release information which would normally be found in school yearbooks, catalogs or student directories. This could include name, address, phone number, birth date, field of study, honors, awards and general photographs.

If parents object to the release of such information, they must state their objection to the building principal in writing.

Visitors

All visitors are asked to report to the school office when visiting a building.

No Smoking Policy

A state law prohibits smoking in or on school property. This includes district owned buildings or vehicles and property owned, leased or otherwise controlled by the school district. The law and Roseville board policy seek to model behavior that supports district curriculum regarding health and safety. Thank you for your cooperation in promoting a healthy environment for students and employees.

Roseville Public Schools Pesticide Program Public Notice

In accordance with Public Act 131, school administrators must advise parents or guardians of their right to be notified prior to the application of pesticide at their child's school.

As a result of this regulation, you are being advised that a routine application of pesticide will take place the first week of each month in each school. These applications will take place after school hours in non-student areas, e.g., boiler rooms, custodial closets, etc. The product used will be a water based formulation, odorless and of low toxicity. In certain emergencies, pesticides may be applied prior to notification. If more specific information is needed, please complete and return the form below.

Asbestos Update

The Roseville Community Schools recently completed their six month Asbestos Hazard Emergency Response Act (AHERA) surveillance reports and will soon be conducting their three year re-inspection for all remaining asbestos-containing building materials. These reports are required by the Environmental Protection Agency. Copies are maintained in the offices of building administrators and are available for public review.

This notification is required annually in accordance with the Federal Register 40 CFR Part 763.

RCS Cable Station

For up-to-date information and district programming, tune into the Roseville Community Schools public access stations: **Comcast Cable, Channel 19 & Wide Open West, Channel 15.**

School Closings

If schools are closed, messages will be sent via School Messenger, posted to social media, and posted on the local TV stations. When day classes are cancelled, all child care programs and evening activities will also be cancelled.

Bagels with Blaszc

The *Bagels with Blaszc* discussion group meeting with Superintendent Mark Blaszkowski is held once a month from September until May. Emails will be sent with dates and locations each month.

Media Permissions

We are proud of staff, students, and programs. From time to time, students may be highlighted in various forms of media. Roseville Community Schools reserves the right to include pictures and/or video of students in newsletters, brochures, newspapers, social media, and various other forms of media. If you would like to opt your child out of this, please contact your school's secretary.

New Kindergarten Students

Register at your neighborhood school. Kindergarten students must be five-years-old on or before September 1, 2025

- Required for registration:
- Certified copy of birth certificate
  - Three proofs of residency
  - Immunization records
  - Vision & hearing test for kindergarten students only
  - Last report card for older student (if available)

Immunization Required

New legislation requires Hepatitis B immunizations for all children in day care and for all children entering school for the first time.

The series of 3 injections is available at the Health Department free of charge to youngsters from age four until their 19<sup>th</sup> birthday. For more information, call the Macomb County Health Department in St. Clair Shores.

School Food Service Program

For the 2025-2026 school year, all breakfast and lunch meals are free for all students.
