M-Step Testing Begins!

3rd-5th Grade Students will be taking the M-Step

These tests are important and we have been emphasizing to our students to take them seriously. Please find attached some helpful hints to help your child with testing.

TEST TAKING TIPS

- Make sure your child gets a good night's sleep before the test.
- Your child should eat a healthy breakfast on the morning of the test.
- Maintain a pleasant home environment and avoid unnecessary conflicts. Make the morning of the test a pleasant one. Do not add to your child's stress.
- Make sure your child has taken any needed medication.
- If your child is too ill to attend, please call the school office.
- Ensure that your child is present during testing. Children generally perform better when taking test in their groups than at a make-up time.
- Make sure your child gets to school on time.
- Wish your child good luck each morning of the test.
- Remind your child the test is important. Encourage him/her to do their best. Let your child know you believe in them!
