ASBESTOS NOTIFICATION

Roseville Community Schools have complied with the Asbestos Hazard Emergency Response Act, commonly referred to as AHERA. AHERA provides a framework for addressing asbestos problems in public and private elementary and secondary schools. The regulations provide a comprehensive scheme for schools to access and respond to potential asbestos problems in their buildings.

This compliance was carried out by:

- Having all buildings inspected by an accredited inspector
- Developing an asbestos management plan for each school and submitting a copy to the Governor
- Providing copies of the report and management plan which are on the district-wide web file and can be viewed by any interested party by calling the Buildings and Grounds Office.
- Re-inspecting all school buildings every six months

If there are any questions regarding asbestos in the Roseville Community Schools, contact Joe Smith, Director of Buildings and Grounds at (586) 445-5697.

- Each student has their own PBIS Badge with QR code.
- PBIS "points" turn into **Hive Bucks** to shop for items at the Hornets Hive.
- Hive Bucks may be saved and used at any time but must be spent by the end of the school year. They do not carry over.

Behavior Point Flow Chart and Discipline Points:

Steps to Discipline Referral Form:

Green Elementary has put procedures in place to support students in their behavior choices by communicating with parents **BEFORE** student receives 10th point and a suspension is given.
