When is sick too sick for school?

A regular attendance routine is important for your child's well-being and learning. These tips can help you decide when to keep your child home when they don't feel well.

SEND ME TO SCHOOL IF...

- I have a **runny nose** or just a **little cough**, but no other symptoms.
- I have **NOT had a fever overnight** and **have NOT taken fever reducing medicine** during that time.
- I have a **mild stomach ache**.
- I have **not thrown up** overnight and can drink liquids without throwing up.
- I have a **mild rash** and no other symptoms.
- I have **eye drainage WITHOUT fever**, eye pain or eyelid redness.

KEEP ME AT HOME IF...

- I have a **temperature higher than 100.4**
- I have **thrown up two or more times** in the past 24 hours.
- My **stool is watery** and I may not make it to the bathroom in time.

SEEK MEDICAL CARE IF...

- I have a **temperature higher than 100.4 AND any of the following:** ear pain, sore throat, rash, stomachache, headache or tooth pain.
- I have **stomach pain and fever**, I have **bloody or black stool**, or I am **dehydrated** (tired and sleepy, dry mouth) and/or I have **not urinated** in the last 8 hours.
- I have a **persistent cough** or **trouble breathing**, or have a fever with the cough.
- I have **eye swelling, eye pain** or an **eye injury**.
- I have a **rash that has blisters**, is draining, is painful, looks like bruises, and/or I have a fever with the rash.

If you don't know whether to send your child to school, have specific concerns regarding your child's physical or mental health, or are worried your child will spread illness, contact your child's health care provider, a local urgent care or the school nurse. These tips are not meant to take the place of local health department/school district health guidance including about contagious illnesses such as Covid-19 and the flu.

KAISER ELEMENTARY SCHOOL

Roseville Community Schools: To educate all children of our community by ensuring students have the skills, experiences and knowledge needed to reach their full potential.

16700 Wildwood St. • Roseville Michigan 48066

Mrs. Kelly Grider
PRINCIPAL

Phone: (586) 445-5785
Fax: (586) 445-5789

Ms. Emily Mariotto
SECRETARY

Weather Guidelines for Roseville Community Schools:

1. When the actual temperature and wind-chill factor are below 10 degrees, students remain indoors.
2. Students are to be admitted to the building 10 minutes before the start of school.

Parents, please be aware that with the winter season approaching, children should attend school dressed warmly and ready for outdoor weather.

Recess is an important part of the day and students will still go outside during the winter months if the temperature and wind-chill factor are not below 10 degrees. Thank you!

DIGITAL COMIC MAKING SERIES

Thursdays 6:00 - 7:30pm

February 6 - February 27

Resident: \$94 Non-Resident: \$99

This is a great time to learn digital comic making, as it's never been more accessible! Would your child like to explore digital art, but you do not want to invest in expensive equipment before you know if it's right for them? Now they can! The course will begin with an introduction to the application and build on skills from there, leaving students who complete the series with the basics to immediately begin publishing webcomics, as well as a foundation to continue to build upon.

Register Online at rare-mi.org or in person at the Recreation Authority Center!
