DRESS CODE INFORMATION!

Important Reminder: Student Dress Code

To help keep our students safe, comfortable, and focused on learning, we ask all families to follow our school's dress code. Please take a moment to review these important reminders:

Clothing Should Be School-Ready

Students should come to school dressed in a way that supports learning and allows them to participate safely in all activities. Clothing that is too short, too revealing, or shows undergarments is not appropriate for school. Strapless or see-through clothing is not allowed.

Shoes for Safety

Students must wear closed-toe, closed-heel shoes every day.

Crocs and sandals are *not* allowed for recess or PE for safety reasons. Please send your child in sneakers or other sturdy shoes.

No Inappropriate Messages

Clothing with offensive, rude, or inappropriate language or pictures is not allowed at school.

Who Decides?

Teachers and school staff will help make sure all students follow the dress code. If a student's clothing isn't appropriate, we may call home for a change of clothes.

Thank you for helping us keep our school a safe and respectful place for everyone to learn and grow! If you have any questions, please contact the school office.

What's for Breakfast/Lunch?!

MENUS

Scan the code for the
monthly breakfast and
lunch menu. Please
discuss choices with your
child and/or pack a lunch
from home.

When is sick too sick for school?

A regular attendance routine is important for your child's well-being and learning. These tips can help you decide when to keep your child home when they don't feel well.

SEND ME TO SCHOOL IF...

- I have a **runny nose** or just a **little cough**, but no other symptoms.
- I have **NOT had a fever overnight** and have **NOT taken fever reducing medicine** during that time.
- I have a **mild stomach ache**.
- I have **not thrown up** overnight and can drink liquids without throwing up.
- I have a **mild rash** and no other symptoms.
- I have **eye drainage WITHOUT fever**, eye pain or eyelid redness.

KEEP ME AT HOME IF...

- I have a **temperature higher than 100.4**
- I have **thrown up two or more times** in the past 24 hours.
- My **stool is watery** and I may not make it to the bathroom in time.

SEEK MEDICAL CARE IF...

- I have a **temperature higher than 100.4 AND any of the following**: ear pain, sore throat, rash, stomachache, headache or tooth pain.
- I have **stomach pain and fever**, I have **bloody or black stool**, or I am **dehydrated** (tired and sleepy, dry mouth) and/or I have **not urinated** in the last 8 hours.
- I have a **persistent cough** or **trouble breathing**, or have a fever with the cough.
- I have **eye swelling, eye pain** or an **eye injury**.
- I have a **rash that has blisters**, is draining, is painful, looks like bruises, and/or I have a fever with the rash.

If you don't know whether to send your child to school, have specific concerns regarding your child's physical or mental health, or are worried your child will spread illness, contact your child's health care provider, a local urgent care or the school nurse. These tips are not meant to take the place of local health department/school district health guidance including about contagious illnesses such as Covid-19 and the flu.
