MIDWINTER RECESS

School will close at 11:55a.m on Friday, **February 14th** through Tuesday, **February 18th** as we enjoy the annual midwinter break. Whether you're staying home or traveling, we hope the time off will be safe and energizing for all.

From the desk of Ms. Torpey

Courtesy of CVS Speaks:

If you child has a fever today, they should not be at school tomorrow. If you give them Tylenol or Motrin for a fever today, they should stay home from school tomorrow.

If you have to give them Tylenol or Motrin in the morning before school to "to get them through the day" then they should not go to school.

If your child has vomiting and/or diarrhea today, they should not be at school tomorrow.

Flu season is rampant. Please do not send your sick, still recovering from illness, feverish kid to school to infect healthy students & staff. THANK YOU!

The bus loop cannot be used as a drop off or pick up location. This is for busses only. We have also asked the Roseville Police Department for their assistance with our traffic problems. Citations could be issued in the future.

Ms. Torpey

SAVE THE DATE!

KINDERGARTEN Registration Night
Thursday, February 27, 2020
6:30-8:00 p.m.
KAISER ELEMENTARY SCHOOL

VOTE March 10, 2020

Macomb County Education Enhancement Millage

Macomb Intermediate School District, in compliance with the Regional Enhancement Millage Law (MCL 380.705) after receiving requests from districts representing 51 percent of Macomb County's student population authorized the 1.9 mill Enhancement Millage proposal for the March 10, 2020 Presidential Primary.

- Macomb schools have a long-standing reputation for providing quality programs, carefully serving as stewards of funds provided by state, federal, and local revenue sources.
- Since 2011, when the State of Michigan made major financial tax changes, hundreds of millions of dollars have been dedicated from the State School Aid Fund for other governmental obligations. [Gongwer, December 26, 2019]
- According to reports published by Citizens Research Council: "Between 2008 and 2018, data shows the average salary for Michigan teachers only rose 2 percent." [Memorandum #159, September 2019]
- A comparison of neighboring counties, utilizing MDE Bulletin 1014, demonstrates that Macomb County schools receive on average several hundred dollars less per student, leaving many districts behind.

This proposal would:

- ✔ Create a 1.9 mill, ten-year, countywide millage that would generate a dedicated source of funding of approximately $55 million annually for Macomb County school districts.
- ✔ Provide dedicated resources for students and would allow each Macomb County district to determine how to best support the needs of their community's children, including retaining qualified teachers and keeping co-curricular activities.
- ✔ Cost approximately $190 per year on a home valued at $200,000 or approximately $95 per year on a home valued at $100,000.

Shared Service and Cost Savings to Macomb County Residents

- Macomb Districts implement comprehensive services in the areas of student services, professional development, business, technology, and leadership at the local, state and federal levels while remaining fiscally stable.
- Macomb Districts have collaborated to operate consolidated technology services for over 20 years.
- Macomb Districts lead in making unified selections and use of common education management and instructional platforms.

Ms. Bednarowski's class awards were inadvertently left out of the January Newsletter. We regret the error.

The 2020 Census is fast approaching. Data collected in the census will inform the distribution of more than $675 billion in federal funds to states and communities each year for things like infrastructure, health care, and food assistance. It's important that we all respond to shape the future of our communities. Learn more at 2020CENSUS.GOV.

Be sure to count everyone who lives in your home on your 2020 Census form. This includes babies and young children, who are often missed in the census. Not counting newborn babies and children impacts support for programs such as children's health insurance, hospitals, child care, food assistance, schools, and early childhood development. It is important to count all the babies and children in your home, even if they aren't related to you or are only staying with you temporarily. Learn more at 2020CENSUS.GOV.

Your responses to the 2020 Census are safe, secure, and protected by federal law. Your answers can only be used to produce statistics. They cannot be used against you by any government agency or court in any way—not by the FBI, DHS, or ICE. Learn more at 2020CENSUS.GOV

REMINDERS

Please remember that you can and will be asked for identification upon signing out a student. Students will not be released to anyone not listed on the Emergency card or pre-arranged by the parents or guardians.

This policy is for the safety of the students and the staff.

Please make sure the Office has up-to-date telephone contacts for your student(s). School Messenger is utilized to send home notifications when school is closed for any reason other than regularly scheduled breaks.

If you have any questions about whether school is in session, you can always check the district website, RosevillePride.org. The information will be listed there along with other events school and district-wide.

School closings are also listed on any news outlet website or Local news cast.

'Never believe that a few caring people can't change the world. For, indeed, that's all who ever have." – Margaret Mead

"Be kind, for everyone you meet is fighting a harder battle." – Plato

"Kindness is seeing the best in others when they cannot see it in themselves."-RAKtivisit

Attendance Reporting

Please remember to call the Main Office to report your child or children's absence. While we appreciate you notifying the teacher, it is not the teacher's responsibility to verify attendance.

Please be aware that attendance letters for excessive tardies and absences are being mailed home regularly. If the student's attendance does not improve, the student will be referred to the MISD Attendance Office.

Students are to be signed into the Main Office by an adult when they are tardy. For safety reasons, students are not to sign themselves in.

SPRING PICTURES

Kaiser Elementary Spring Picture Day is Tuesday, February 25, 2020.

Important: This year again for spring pictures, only students purchasing a package with an order envelope or online pass will be photographed on picture day. Look for more information on your child's picture day flyer /order form. Questions? Call Toll Free: 1-866-955-8342 or go to www.mylifetouch.com.

Please note that spring pictures are not included in the yearbooks and there are no re-takes.

There is no specific schedule for spring pictures, so please be sure your child is ready to be photographed when he/she arrives at school that morning. Your child needs to give the order envelope to the photographer on picture day 2/25/2020.

Count Day

Wednesday, February 12th is Count Day. Your child's attendance is crucial on that day. If your child must be absent, please make sure that you call the Main Office and verify your child's absence.

Compact Corner

Kaiser Elementary School Parent Compact:

To the best of my ability, I WILL...

1. Assure adequate rest, any necessary medical attention, and proper nutrition for my child.
2. Regularly monitor my child's assignments and progress in school (e.g., homework, tests, etc.).
3. Make an effort to volunteer or participate in school activities, field trips, or functions.
4. READ to my child or encourage him or her to read every day!
5. Support school policies, guidelines, and procedures in efforts to maintain proper discipline.
6. Provide a QUIET, well-lighted place for my child to study.
7. Communicate with my child's teachers on a regular basis.
8. Ensure that my child attends school on a regular basis and is punctual every day.

Tips For Helping Kids and Teens With Homework and Study Habits

Turn off the TV set. Make a house rule, depending on the location of the set, that when it is study time, it is "no TV" time. A television set that is on will draw youngsters like bees to honey.

Certain rules should be set about the family phone during study hours. The more people in the household, the more restrictions on long and unnecessary phone calls are needed. A timer, placed next to the phone, can help to control the length of calls so that the telephone will be available if it becomes necessary to call a schoolmate to confirm an assignment or discuss particularly difficult homework.

Designate specific areas for homework and studying. Possibilities include the child's room or the kitchen or dining room table. Eliminate as much distraction as possible. Keeping general supplies on hand is important. Check with your child about his needs. In fact, make it his responsibility to be well supplied with paper, pencils, note pads, notebook paper, et cetera.

Regularity is a key factor in academic success. Try to organize the household so that supper is served at a standard time, and once it and family discussions are over, it's time to crack the books. If the student doesn't have other commitments and gets home reasonably early from school, some homework can be done before supper.

Consider your child's developmental level when setting the amount of time for homework. While high school students can focus for over an hour, first-graders are unlikely to last more than 15 minutes on a single task. Allow your child to take breaks, perhaps as a reward for finishing a section of the work.
