IMPORTANT REMINDERS

*Breakfast is free and available to every student each morning. Students arriving after 8:40 will not receive a breakfast. Please make sure that your child is here on time every morning.

*Student attendance is very important. If a student will be absent for any reason, please call and notify the school office. When calling, please give the reason, the length of the absence, and who is calling for them. State law requires us to report chronic and excessive absences, including tardiness, early release, and late pick-ups. Our early release time ends at 3:15 p.m., but we encourage you to schedule medical appointments for after school hours to limit early pick-ups. If you are in need of **Latchkey** services to allow your child to remain later than 3:35 p.m., please call **586-445-5688**.

*Students that will need to take medication of any kind, including inhalers and/or Epi-pens, must have a **Medication Request Form** completed by their doctor and placed in their school file for the year. Medical forms are available in the office.

ALL Dort students receive a free breakfast and lunch this year by participating in the Michigan Department of Education Community Eligibility Option. Students are also allowed to bring in a lunch from home if they choose. Students will NOT be eligible for breakfast if they come in after the tardy bell.

We are always grateful for the support of our wonderful parent volunteers. If you're interested in contributing your time and skills, please reach out to the Main Office and we can get you started!

This is an award given to students who are hardworking, show good choice making decisions, come to school on time, go above and beyond what is asked of them, and is an all-around good citizen here at Dort.

A big congratulations to our Safety of the Year- Richard Alford! He takes his responsibilities seriously. No matter the weather, he is always there to make sure everyone is safe!

The mission of the Roseville Community Schools, in a cooperative partnership with students, the home, and the community, is to educate all children of our community by ensuring students have the skills, experiences and knowledge needed, to reach their full potential.
