Principal's Corner-

Happy Spring! The tulips are blooming, the temperatures are rising and the M-Step testing is looming. These online tests for grades 3-11 provide us with critical information on what students know and are able to do.

We want students' experience to be relaxed, healthy and stress-free. Make sure your student gets plenty of rest and arrives to school on time - particularly on test days. Grades 3 - 5 are tested in Mathematics and English-Language Arts, in addition 5th grade tests in Science and Social Studies. The online tests ask students to drag and drop, select text in a passage, select spots on a graph, match between two lists, fill-in-the-blank, or select multiple answers to a test question. They will also include a constructed response in which students will type in answers to questions.

These are the testing dates by grade: **Tests begin at 9 am**

5 th grade	April 22nd, 23rd, 29th, 30th, May 1st, 2nd, 6th & 7th
4 th grade	April 9th, 10th, 16th & 17th
3 rd grade	April 8th, 9th, 15th & 16th

Help your student achieve by getting them to school ON TIME, well-rested and feeling supported.

Mr. Komaowski
Principal

Attention! 5th Grade Parents

We need your help for our 5th grade Baby Bulletin Board.

Each year, the Parent Club puts up a bulletin board of baby pictures of our 5th grade students.

The 5th graders try to guess who their classmates are by their baby pictures. The student with the most correct guesses wins a prize.

Please send in a baby picture of your 5th grader to the office in a sealed envelope with your child's name written gently on the back in pencil. Photos will be returned before the end of the school year.

Please send your child's picture in to the office no later than **May 16th** so we have time to assemble the bulletin board.
