PRINCIPAL

Dear Families,

February 12th is a big day for us because it is Count Day. It is imperative that all students are present and on time February 12th. Count day is important because it tells the state how many kids we have and based on that we receive funding for our district. This funding is very important, this is how our district stays running. All students in attendance that day will receive a special treat. Please make sure students attend school not just on count day but everyday. Students cannot learn and grow if they are not in attendance.

Please continue to dress your students according to the weather. Students will go outside in the cold and snow. Winter apparel is necessary.

Thank you,

Mr. Komarowski

Valentine's
Day

Happy
Valentine's
Day

Due to food allergies and to decrease emphasis on sweets we have instituted a "no treats" policy for birthdays. If you would like to send something to school with your child to commemorate their birthday, please donate your child's favorite book or a new game to the classroom in lieu of food items. Thank you for understanding.

Unless the weather/windchill combo is below 10 degrees, students will go outside for recess based on the teachers discretion. If the class goes outside all students must go outside unless they have a doctor's note stating otherwise. Please make sure your student is dressed appropriately.

The Roseville Community Schools Scholarship Foundation began with a dream and a goal when it was established by the Roseville Kiwanis Club in 1963. The dream was to touch the lives of Roseville's young people; the goal was to raise funds to aid them in their continued educational quests.

In 1984, the Roseville Board of Education joined the the ongoing project. Today, citizen volunteers, educators, business representatives, and local leaders assist in the process of raising funds and allocating scholarships to deserving recipients. This year, we awarded 63 \$1200 scholarships to recipients.

In April 2022, the Foundation officially became a 501c3 organization. This allows additional opportunities to receive donations from individuals and companies wishing to donate to a charitable organization. If you own, work for, or know of a company looking for a charitable organization to donate to, we would greatly appreciate you sharing the Roseville Community Schools Scholarship Foundation name with them.

When is sick too sick for school?

A regular attendance routine is important for your child's well-being and learning. These tips can help you decide when to keep your child home when they don't feel well.

- I have a **mild stomach ache**.
- I have **not thrown up** overnight and can drink liquids without throwing up.
- I have a **mild rash** and no other symptoms.
- I have **eye drainage WITHOUT** fever, eye pain or eyelid redness.

KEEP ME AT HOME IF...

- I have a **temperature higher than 100.4**
- I have **thrown up two or more times** in the past 24 hours.
- My **stool is watery** and I may not make it to the bathroom in time.

SEEK MEDICAL CARE IF...

- I have a **temperature higher than 100.4 AND any of the following:** ear pain, sore throat, rash, stomachache, headache or tooth pain.

If you don't know whether to send your child to school, have specific concerns regarding your child's physical or mental health, or are worried your child will spread illness, contact your child's health care provider, a local urgent care or the school nurse. These tips are not meant to take the place of local health department/school district health guidance including about contagious illnesses such as Covid-19 and the flu.
