August 2024

Parent(s), Guardian(s), Members of this year's Senior Class,

Welcome to a milestone year in your educational career and life! Senior year is a memorable one and I hope you take full advantage of all the opportunities there are to create lasting memories between now and graduation. I urge you to be involved in all of the Senior Activities we have. At the same time, senior year is one that will require attention to detail on many important items. This packet is to make you aware of what lies ahead this year.

Items of importance for you to be aware of:

- Most of your senior year information will come through email.
- Students, make sure you are checking your school email.
- Parents/Guardians, make sure we have the email address on file you check regularly.
- Read everything in this mailing closely. Many items are designed to be posted in your home as reminder.
- Be in contact with our Counseling Department to make sure credit requirements are met, to get assistance with FAFSA (financial aid) paperwork, scholarship info, and other post-high school planning.
