

Roseville Middle School

March 2025

RMS Families,

Thank you to all our families for reaching out with your support as our school mourned the loss of our counselor Mr. Chmielewski. He spent 26 years working in Roseville Community Schools. Most of them at RMS. We are thankful for the support staff from all our Roseville Schools and the Macomb Intermediate District. They helped our students and staff through this difficult time. If your student needs support, please reach out to us, we can connect with a trained expert.

Congratulations to our RMS Symphonic Band who earned a First Division rating in Class B for the first time in RMS history. Their hard work has paid off.

Spring Break is the week of March 24-28 this school year. When we return to school, we start state mandated testing for all middle school students. Student attendance is critical during April. Please be on the lookout through our weekly Sunday emails about exact testing dates for each grade level.

- 6th and 7th grade will take the M-STEP Test. This assesses students in the areas of Math and English/Language Arts. Students will take this test throughout April.
- 8th grade will take the PSAT and the M-STEP. The PSAT will prepare students for the SAT that will be taken in 11th grade. The assessment results will help students understand what areas they need to focus more attention on. This assessment will gauge students' knowledge in the areas of Math and English/Language Arts. The PSAT will be given on Thursday, April 10th. The M-STEP assessment will look at the areas of science and social studies. Students will take this assessment in mid to late April

[MSTEP Online Practice](#)

March is National Reading Month. It's a great time of year to refocus on how important reading is in a student's life. Families can help by giving students access to different reading materials at home. This can be as simple as helping your child find a good book, magazine, or online stories to read. The Roseville Public Library has many resources.

Students should be coming home with a reading log to complete every week. Each Advisory class will be a team that competes against other classes for the most minutes read during the month. The format of the game will look like College Basketball's March Madness Brackets. Please encourage your child to participate.

We were able to honor 155 students with a trip to Great Skate at the start of March because they met their iReady benchmark scores in math and reading. They had a lot of fun skating, eating pizza, and playing games. Thank you to Great Skate for hosting us.

Respectfully,
 Chris LaFeve, Principal

From our Assistant Principals Offices

As we head into March, please remember to keep up on student grades by using PowerSchool. Students can access PowerSchool through their district laptop. Parents can access PowerSchool through the PowerSchool App that can be downloaded from Google Play or the Apple App store. If you need assistance in setting up your account you can come to the main office and we will assist you during school hours. Detentions need to be served on time or else students will go to the next step. Please make sure your child is serving, and serving correctly. Students cannot serve their detention the day they receive it. Students who are disruptive or not following directions will be asked to leave, and their detention won't count. We know it's not ideal to stay after, however, consequences are issued for not following rules. Hallway safety is a focus of ours, and students understand that there will be detentions issued for their unsafe behaviors. If you have any questions or concerns, please contact your child's teachers. They are your first call when questions arise about assignments, behaviors in class, or needing additional help.

CLOSED CAMPUS

Reminder that Roseville Community Schools are a closed campus

—students cannot have breakfast or lunch delivered to them.

School Day Disruptions

We appreciate a parents' willingness to come to school when your child contacts you over something they may have forgotten, but please realize that minimizing class disruptions and protecting teachers' instructional time is our number one priority and we may not be able to get an item to a student immediately.

Likewise, lunch money, lunch, gym clothes/shoes, birthday or holiday gifts or treats ("treat items" must need prior approval from the principal), etc., will not be delivered from the office. If your child has forgotten something and knows you are bringing it for them, they may come down to the office in between classes or at lunch to retrieve it.

Please remember that you should only attempt to contact your student for emergency situations during school hours. If there is an emergency situation, please call the main office. Do Not attempt to contact your child on their cell phone. If a student is caught using a cell phone in school, no matter what the reason, disciplinary actions can be taken.

Also, if you know your student will be leaving early, please send in a note with them and we will make sure they are ready at the correct time.

Thank you for your cooperation in protecting instructional time.

Student Drop-off and Pick-up

Do not drop your student off in the bus loop off Barkman. That lot is reserved for buses only. Please use the Martin Road lot to ensure your children's safety. No streets have to be crossed if you drop off in this lot. Do not drop your child off on Martin Road. Please do not stop and drop off your student on Barkman. Bused students that are dropped off in the bus loop or those walking from the 11 mile or Gratiot area must enter the building through the front Barkman doors. Students dropped off by parents in the Martin Road lot must enter through the North Martin Road doors. Students are not to walk around the building to another door.

Please pull up as far as you can in the Martin Road lot and things will go very smoothly. There are 3 lanes for pickup. Don't stop at the entrance; we have several hundred students that get dropped off and it will make the line longer. Do not park on the cross walk. Remember to allow 5-7 minutes for the drop off procedure. People who are dropping off or picking up students that do not observe these rules can and have been ticketed. Please note that dropping students off late to avoid the rush will result in 1st hour attendance problems.

Whenever possible, we would appreciate it if you would make after school and transportation arrangements before your child leaves home in the morning.

MEDICATION:

When it is medically necessary that a child receives medication at school, and written instructions from the physician are on file, school personnel may administer the medication in strict compliance with the district policy and procedures. The Student Medication Request form must be filled out completely by the parent or legal guardian and signed by the physician. The form is good for the current school year only. All medications, inhalers, and kits for asthma and diabetes will be kept in the student principal's office. (Students with asthma inhalers may carry them to school if specific criteria are met).

All prescription medication should be brought to school by the parent, legal guardian, or other reliable adult in an original pharmacy container with a label identifying the student's name, name of medication, dosage, and physician's name. Over-the-counter medication must be in the original manufacturer's container with a label identifying the student's name and dosage. The district has strict guidelines and procedures for dispensing medication. Please contact the school office for complete information. Medication Request forms are available in the main school office.

Roseville Middle School News

RMS: Check In & Out

Check-In: Any student who arrives after 7:45 am must have an adult who is on their contact list with them to check them in at our Security Window at Door 1 to be allowed into RMS.

Check-Out: You are reminded that for any student who has an adult coming to the building to check them out, that adult must report to the Security Window to check a student out and must be on a student's contact list. We will not check out a student simply by a phone call from you stating you are here in the parking lot if the phone number you are calling from is not on our contact list.

*Due to the high volume of calls we receive at the end of the day, we cannot guarantee that messages will be delivered to students after 2:30 each day. Additionally, parents who call or come to have their child released in the last 20 minutes of the day will be asked to wait until our normal dismissal time.

Reminder: Please DO NOT park in the bus loop starting at 2:30pm to pick up your student, the buses are trying to come and get set up for dismissal. Parking in the bus loop will cause delays in the buses being able to leave on time. You will get blocked in our bus loop parking lot.

Not receiving our call commands? Not receiving our email?

It is extremely important that we have up-to-date contact information for every student. This includes the home address and parent phone numbers, as well as emergency contact information to assist us if we are unable to reach a parent. This information will aid us in keeping you informed of medical emergencies, school happenings, and many other important activities. If you are not hearing from us, the school must not have your updated information. Please email kwentzel@roseville.k12.mi.us with any changes in the primary phone number or email, and we will update our records for you. Address changes require three proofs of residency brought to the Main Office. If you have recently moved or changed your phone number, please notify us as soon as possible at 586-445-5613.

Thank you for your cooperation in helping us keep you informed.

Ascension Health:

RMS now has a school nurse. We have partnered with Ascension Health Center. For your child(ren) to be seen by our nurse please scan the QR code below to fill out the Consent for Services form. This form must be filled out for the nurse to see your child(ren).

1st Semester Honor Roll
