April 2025

RMS Families,

April is a very important month because we complete many of our State mandated assessments. 8th graders take the PSAT 8/9 and M-Step. 6th and 7th graders take M-Step only. The state of Michigan requires all students to take these assessments. For this reason, attendance is important in April. Students must arrive at school on time at 7:40am to be in there 1st hour by 7:45am. Below outlines testing dates.

Families can help students prepare for testing in many ways. Make sure your child gets a good night of sleep the day before the test. Students need to arrive at school on time to make sure they get to the correct room for testing and have a chance to eat a free school breakfast. Talk with your child about the importance of taking all tests seriously. These tests are a chance to show off the hard work teachers, families, and students have put into this academic school year.

RMS State Testing Schedule - Spring 2025

	6th Grade Math M-STEP Test	NO SCHOOL	6th Grade Math M-STEP Test (Special Education Testing)	8th Grade Soc St M-STEP Test Day 1	8th Grade Soc St M-STEP Test Day 2
NOTES:	April 10 PSAT is a half day of school and ONLY 8th graders attend. 6th and 7th graders stay home.		M-STEP Testing is done on a normal full day of school schedule. Students will be pulled to test during the school day.		

The third quarter ends on April 4th. Grades will be emailed out to all families on Friday April 11th. It is important to make sure you have access to PowerSchool throughout the year to monitor your child's grades and attendance. If you need help, please reach out to the main office.

Mr. Hill, our Band Director, helped lead the district Band-O-Rama at the end of March. Our students put together an amazing performance. Their hard work was evident in the production.

At the end of March, we had our annual Sneak Peek. During this event 5th graders from our feeder elementary schools came to RMS to get to know the staff and explore all the fun things middle school has to offer. The 5th graders left RMS excited to be a Roseville Middle Wildcat!

RMS is excited to offer a new event on Thursday, April 24 from 5 to 7pm called Game On, Brain On.

What happens at this event?

- Families will get a chance to play games
- Take home free games
- Get free books
- Student win prizes that include gift cards to Amazon and others
- Student that attends this event will get Stash Cash to spend at school and remove a bad assignment coupon for class.
- Parents have the chance of winning gift cards to Walmart, Meijer, Kroger's, and Amazon.
- We will have many outside businesses participating in this event and passing out free resources.
- Learn how to use the games to improve students' math and literacy skills.

To prepare food, games, prizes we need families to RSVP, please click on link below.

## CLOSED CAMPUS

Reminder that Roseville Community Schools are a closed campus

—students cannot have breakfast or lunch delivered to them.

We hope you had a wonderful Spring Break. We hope that you used that time to relax, recharge, read, rest, have some fun, and enjoy family! On April 10th the 8th graders will take their PSAT test. Please make sure they get a good night's sleep the night before and they are aware of expectations for the test. 6th and 7th graders will NOT come to school that day. As the weather starts to warm up, students will start to look forward to Summer Break and while that is a great thought, we still have to work in school and make sure that we are following the expectations of the school. We keep our hands to ourselves, even if they think it's playing, we are not accepting that as an excuse. Detentions need to be served on time so students are not receiving additional discipline. Parents, if you are concerned about behaviors and grades, please feel free to contact teachers through email or leaving a message at the school. We want to work together to make sure all students are successful.

## School Day Disruptions

We appreciate a parents' willingness to come to school when your child contacts you over something they may have forgotten, but please realize that minimizing class disruptions and protecting teachers' instructional time is our number one priority and we may not be able to get an item to a student immediately.

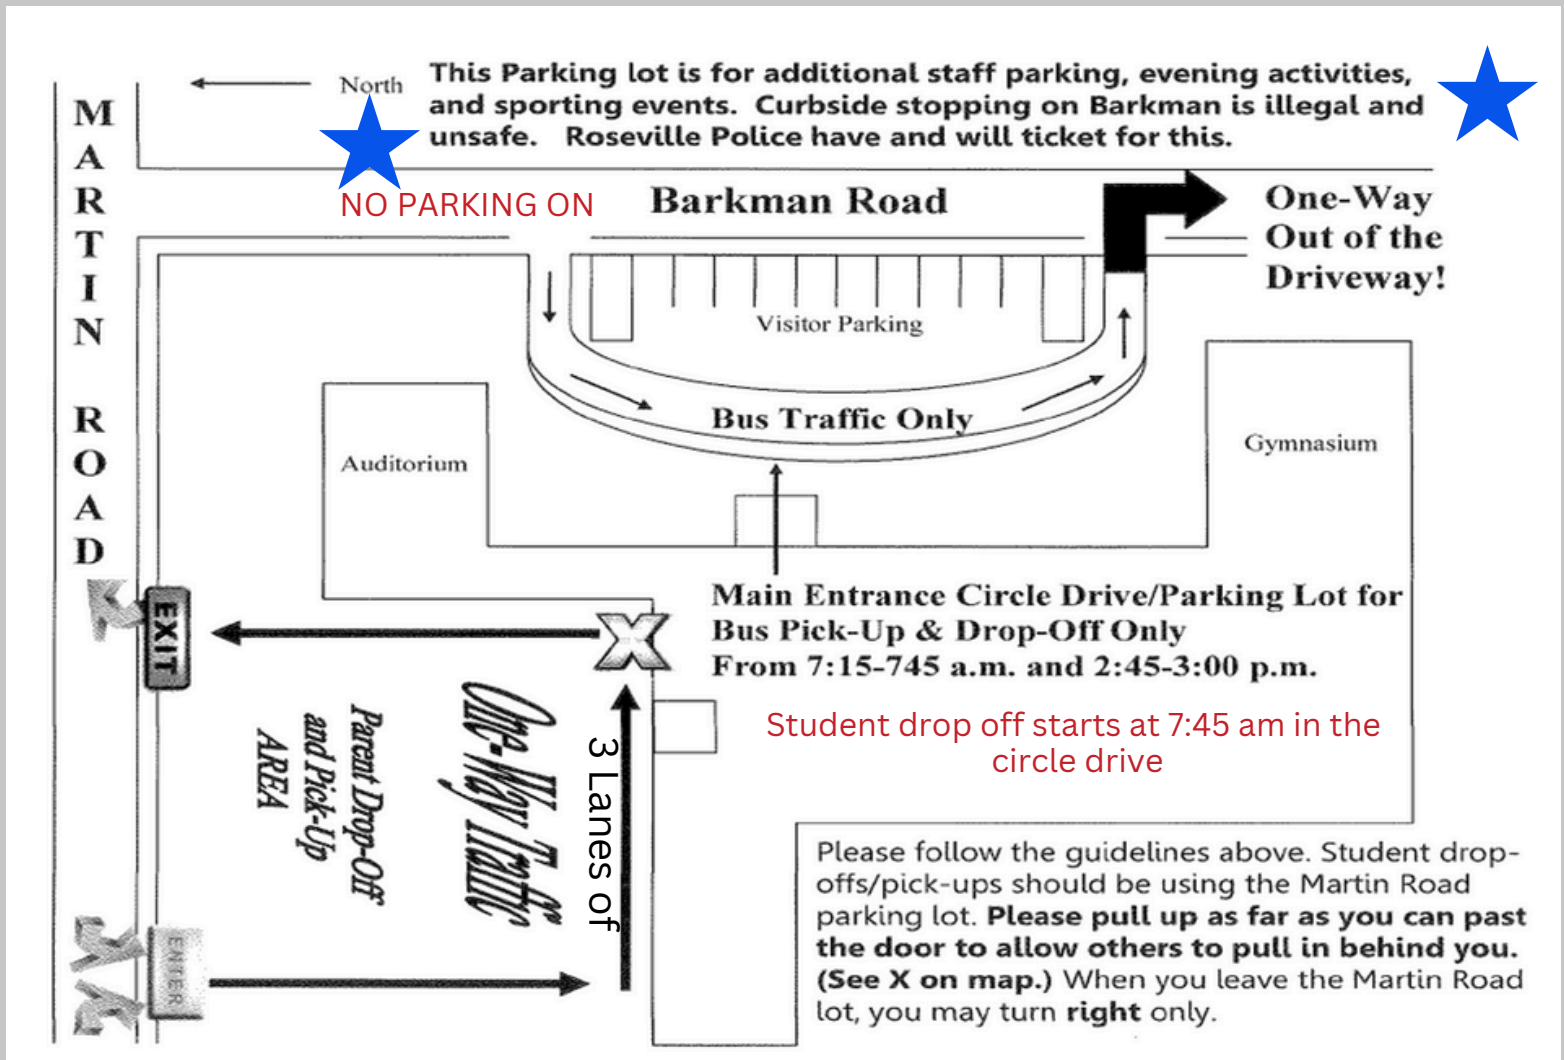

Likewise, lunch money, lunch, gym clothes/shoes, birthday or holiday gifts or treats ("treat items" must need prior approval from the principal), etc., will not be delivered from the office. If your child has forgotten something and knows you are bringing it for them, they may come down to the office in between classes or at lunch to retrieve it.

Please remember that you should only attempt to contact your student for emergency situations during school hours. If there is an emergency situation, please call the main office. Do Not attempt to contact your child on their cell phone. If a student is caught using a cell phone in school, no matter what the reason, disciplinary actions can be taken.

Also, if you know your student will be leaving early, please send in a note with them and we will make sure they are ready at the correct time.

Thank you for your cooperation in protecting instructional time.

# Student Drop-off and Pick-up

## MEDICATION:

When it is medically necessary that a child receives medication at school, and written instructions from the physician are on file, school personnel may administer the medication in strict compliance with the district policy and procedures. The Student Medication Request form must be filled out completely by the parent or legal guardian and signed by the physician. The form is good for the current school year only. All medications, inhalers, and kits for asthma and diabetes will be kept in the student principal's office. (Students with asthma inhalers may carry them to school if specific criteria are met).

All prescription medication should be brought to school by the parent, legal guardian, or other reliable adult in an original pharmacy container with a label identifying the student's name, name of medication, dosage, and physician's name. Over-the-counter medication must be in the original manufacturer's container with a label identifying the student's name and dosage. The district has strict guidelines and procedures for dispensing medication. Parents/staff will fill out paper stating how many of what medication is being dropped off and signatures will be required every time medication is dropped off.

Medication Request forms are available in the main school office.

## RMS: Check In & Out

**Check-In:** Any student who arrives after 7:45 am must have an adult who is on their contact list with them to check them in at our Security Window at Door 1 to be allowed into RMS.

**Check-Out:** You are reminded that for any student who has an adult coming to the building to check them out, that adult must report to the Security Window to check a student out and must be on a student's contact list. We will not check out a student simply by a phone call from you stating you are here in the parking lot if the phone number you are calling from is not on our contact list.

\*Due to the high volume of calls we receive at the end of the day, we cannot guarantee that messages will be delivered to students after 2:30 each day. Additionally, parents who call or come to have their child released in the last 20 minutes of the day will be asked to wait until our normal dismissal time.

**Reminder:** Please DO NOT park in the bus loop starting at 2:30pm to pick up your student, the buses are trying to come and get set up for dismissal. Parking in the bus loop will cause delays in the buses being able to leave on time. You will get blocked in our bus loop parking lot.

## Not receiving our call commands? Not receiving our email?

It is extremely important that we have up-to-date contact information for every student. This includes the home address and parent phone numbers, as well as emergency contact information to assist us if we are unable to reach a parent. This information will aid us in keeping you informed of medical emergencies, school happenings, and many other important activities. If you are not hearing from us, the school must not have your updated information. Please email [kwentzel@roseville.k12.mi.us](mailto:kwentzel@roseville.k12.mi.us) with any changes in the primary phone number or email, and we will update our records for you. Address changes require three proofs of residency brought to the Main Office. If you have recently moved or changed your phone number, please notify us as soon as possible at 586-445-5613.

Thank you for your cooperation in helping us keep you informed.

### Ascension Health:

RMS now has a school nurse. We have partnered with Ascension Health Center. For your child(ren) to be seen by our nurse please scan the QR code below to fill out the Consent for Services form. This form must be filled out for the nurse to see your child(ren).
