## **WILDCAT NEWS**

### **March 2023**

Have you noticed our improved weekly Sunday emails? The goal is to give families a list of events at RMS that week and additional details about upcoming events, sports, and programs. Furthermore, at the start of the month you will get an overview of what students are learning in all their core classes and some tips to help support your child. We hope this will be one step in helping improve our communications with families.

The RMS Advanced Band achieved a First Division (Superior) rating at District XVI Band and Orchestra Festival. They are now qualified to move on to the state contest.

Spring Break is the week of March 25-29 this school year. When we return to school, we start state mandated testing for all middle school students. Student attendance is critical during April. Please be on the lookout through our weekly Sunday emails about exact testing dates for each grade level.

6th and 7th grade will take the M-STEP Test. This assesses students in the areas of Math and English/Language Arts. Students will take this test throughout April.

8th grade will take the PSAT and the M-STEP. The PSAT will prepare students for the SAT that will be taken in 11th grade. The assessment results will help students understand what areas they need to focus more attention on. This assessment will gauge students' knowledge in the areas of Math and English/Language Arts. The PSAT will be given on April 10th. Students will also be taking the M-STEP. This assessment will look at the areas of science and social studies. Students will take this assessment in mid to late April

March is National Reading Month. It's a great time of year to refocus on how important reading is in a student's life. Families can help by giving students access to different reading materials at home. This can be as simple as helping your child find a good book, magazine, or online stories to read. The Roseville Public Library has many resources.

We welcomed our future RMS Wildcats to the building last month during our Sneak Peek. They were excited to see the school, experience some of our class offerings, and practice opening a locker.

Respectfully,  
Christopher LaFeve

## Information From Our Assistant Principals

As we head into March, please remember to keep up on student grades by using PowerSchool. Students can access PowerSchool through their district laptop. Parents can access PowerSchool through the PowerSchool App that can be downloaded from Google Play or the Apple App store. If you need assistance in setting up your account you can come to the main office and we will assist you during school hours.

Detentions need to be served on time or else students will go to the next step. Please make sure your child is serving, and serving correctly. Students cannot serve their detention the day they receive it. Students who are disruptive or not following directions will be asked to leave, and their detention won't count. We know it's not ideal to stay after, however, consequences are issued for not following rules. Hallway safety is a focus of ours, and students understand that there will be detentions issued for their unsafe behaviors.

If you have any questions or concerns, please contact your child's teachers. They are your first call when questions arise about assignments, behaviors in class, or needing additional help.

## RCS MISSION STATEMENT

To educate all children of our community by ensuring students have the skills, experiences and knowledge needed, to reach their full potential.

#### No Smoking Policy

A State law prohibits smoking in or on school property. This includes district-owned buildings or vehicles and property owned, leased, or otherwise controlled by the school district. The law, along with Roseville Board policy, seeks to model behavior that supports district curriculum regarding health and safety.

Thank you for your cooperation in promoting a healthy environment for students and employees by not smoking.

## **Safety Drills**

To help students prepare for emergencies, schools routinely practice drills for fire, tornado, and lockdowns.

In the event of a building crisis, doors will be closed or locked, lights turned out, and window blinds closed. Students will be moved away from the door and remain quiet until there is an "All Clear" from the office.

**As part of our security protocols, please be aware that we do not share evacuation locations, per recommendations from law enforcement.** In the event of an evacuation, know that our first priority is always safely and quickly moving students and staff, and then informing parents of the next steps. Thank you in advance for your cooperation.

## **CLOSE CAMPUS**

Reminder that Roseville MS is a closed campus—students cannot have breakfast or lunch delivered to them, by parents or a Delivery Company.

## **Not receiving our call commands? Not receiving our email?**

It is extremely important that we have up-to-date contact information for every student. This includes the home address and parent phone numbers, as well as emergency contact information to assist us if we are unable to reach a parent. This information will aid us in keeping you informed of medical emergencies, school happenings, and many other important activities. If you are not hearing from us, the school must not have your updated information. Please email [kgeml@roseville.k12.mi.us](mailto:kgeml@roseville.k12.mi.us) with any changes in the primary phone number or email, and we will update our records for you. Address changes require three proofs of residency brought to the Main Office.

If you have recently moved or changed your phone number, please notify us as soon as possible at 586-445-5613.

Thank you for your cooperation in helping us keep you informed.
