Message From our Principal

Hello everyone-

As we wrap up the holiday break and embark on a new year, I wanted to take a moment to share a few thoughts. It's an honor and privilege to serve as the principal of Eastland, and I feel incredibly fortunate to be part of this amazing school community. On behalf of our entire staff, I hope your holiday season was filled with joy, relaxation, and time to recharge.

The first few months of this school year have been packed with learning, growth, and hard work. Let's take a moment to reflect on our progress and build on the momentum as we head into the new year.

With the start of January, we hit the ground running! Winter testing for I-Ready in Math and ELA begins right away. Our students completed this test in the fall, and we're excited to see the growth reflected in their scores this winter. We'll have another round of testing in May.

Additionally, when we return, we'll have only three weeks left in the second quarter and the first semester. This is a critical time to ensure grades are in good shape and any missing assignments are submitted. Remember, even though the weather is cold now, summer—and the end of the school year—will be here before we know it. Let's tackle our work and projects without delay!

As we close out the first semester, let's focus on:

- **Being present:** Attendance is key missing even a few days can set students back.
- **Being prepared:** Arrive on time, bring necessary materials, and stay organized.
- **Being kind:** Treat one another with respect and kindness every day.

Let's finish the semester strong and set the tone for a fantastic rest of the school year. Thank you for your continued support and dedication to making Eastland a great place for learning and growth.

Here's to a wonderful start to 2025!

Board of Education
