# Signing In & Out

Students arriving after 8:40 will need to be signed in by a parent/guardian. They will not be permitted inside the main building without being signed in. Breakfast starts at 8:25. It is important for students to be on time to have a balanced breakfast and receive beginning instruction.

Students will not be signed out after 3:15 without prior notice. Please call before 3pm to notify the office. At the end of each day students are receiving crucial information for homework, upcoming events, breakfast/lunch changes for the next day, etc. It is important to not disrupt the end of the day so our teachers can give this information to all students.
