

Directions: This template is provided to States as an optional tool for reporting LEA-Level Maintenance of Equity data. Please review the updated MoEquity FAQs before submitting. Once completed, please post on your website and email the link and completed data set to your State mailbox at [State name]@oeqbed.gov. All sections shaded green are locked and include formulas. Please enter data in only the unshaded cells.

Grade span or Districtwide (selection must be consistent across LEA)		FY2021 Per pupil Funding (Increase/Decrease)	FY2022 Per pupil Funding (Increase/Decrease)	FY2021 Districtwide LEA Per-pupil Funding (Increase/Decrease)	FY2022 Districtwide LEA Per-pupil Funding (Increase/Decrease)	Methods 1 (districtwide) and 2 (grade span): Staff divided by student calculation for FTE. For example, 20 FTE Staff divided by 230 students = .09										Methods 3 (districtwide) and 4 (grade span): Student divided by staff calculation for FTE. For example, 230 students divided by 20 FTE Staff = 11.5 students per teacher.
